PAVING ON FIFTH ASSURED BY CITY

COUNCIL PASSES IMPROVEMENT BILL—MORE TUESDAY.

RENEW FIGHT ON CITY CLERK; BOTH ARE FIRM

Move to Appoint Official Again Fails—"I Will Stand Pat," Says Both Faction Leaders.

An ordinance to pave Fifth street from Market street west about seven and one-half regulation blocks to Dunn street, thence on Dunn street from Fifth street south a half block to Normal avenue, was passed by the city council in an adjourned session last night. The lack of time to prepare the paving specifications and draft an ordinance and in which to read the ordinances, prevented the other paving ordinances to be passed last night

The ordinance, as all others will be, provides that all bids shall be submitted to City Engineer F. L. Flynt not later than 4.30 o'clock Monday afternoon, May 31. It asks for bids for both tar concrete and asphalt concrete paving, the tar paving to be lower priced, of course. Provision also is made that the paving shall be begun not later than thirty days after the paving contract is awarded and shall be completed within ninety days.

To Guarantee Paving 5 Years.

Another provision is that the contractor shall enter into a bonded guarantee to keep the paving in good condition for a period of five years, and that at the expiration of that time the pavement shall have a contour free from depressions of any kind exceeding one-half inch in depth, be free from cracks, and shall contain no signs of disintegrated surface mixture. The ordinance provides that the contractor shall furnish bond at th rate of $500 per block to be paved.

The specifications for the F street paving as compiled by Eng Flynt, estimates that the pav Fifth and Dunn will require 1,[illegible] yards of excavation, 4,600 l[illegible] of curbing, 316 lineal feet headers and 7,950 square yard bituminous concrete pavem[illegible]

Finish Job Tuesd[illegible]

It is intended to i[illegible] ordinances for public [illegible] time, and to open a[illegible] as to secu[illegible] price for the [illegible] work.

The council [illegible] Tuesday nigh[illegible] session to p[illegible] pave Mulb[illegible] Twelfth, [illegible] to Walnut, [illegible] Main [illegible] Norm[illegible]

[illegible] necessity of havin[illegible] ance through t[illegible] age, it may be ne[illegible] journed sessions both next Tuesday night and Wednesday night.

The first action taken last night was to set aside an ordinance bill to construct sidewalks on Lieber street and South Market street, and to request Harry Foster, petitioner, to circulate a new petition providing for sidewalk improvement for a greater distance than the first provided.

Renew City Clerk Fight.

The fight between the council and Mayor U. S. Wright over the matter of appointing a city clerk was again brought up last night prior to adjournment. It was begun when Councilman Raines asked permission of the mayor to have George Robb Ellison, attorney, present the law relative to city clerk appointment as he saw it. This Mayor Wright refused.

A motion to proceed to elect a city clerk was then made. It was voted out of order. An appeal from the chair was then attempted by Councilman Raines, but this move also was blocked.

Councilman Raines, as president of the board of aldermen, then proceeded to call for a vote on city clerk. Five voted for Bart W. Rowley and two for Chester W. Bennett for city clerk. The vote was taken and as was taken at the previous meeting. But another stumbling block was encountered when Mayor Wright refused to have a poll taken.

Mayor Wright.

Assistant Attorney Ellison then spoke on behalf of the council opposing Bennett and was defeated. No headway was made either side, a motion to adjourn was then made and carried. The fight will be resumed on Bennett will probably be taken up at the adjourned meeting next Tuesday night, if time is available.

"I intend to stand right where I am and said Mayor Wright after making of the fight [illegible]

"The state statute clerk shall be appointed with consent of the city ordinance elected. I believe should be adhered to. [illegible] try to put me out but I shall stand for the appointment of Bennett, just the same. I don't want a fight and would rather settle the matter peaceably, however."

To Try New Tactics.

"The fight is not yet over and we have several moves we can yet make to bring about satisfaction," said Councilman Raines, leader of the opposing side of the council, this morning. "I will not say what those moves are nor what action will be taken, but will not stand long for this blockade. I hope we can settle the matter peaceably, but we are not going to back down."

When asked if impeachment proceedings would be brought against the mayor if the appointment of Rowley was not allowed, Councilman Raines would make no statement other than that he hoped such action would not be necessary.

Rat An-ni-hi-la-tor kills and consumes the rodent. Koch Pharmacy.

M. E. SCHOOL OPENS

FIRST METHODISTS BEGIN BIBLE TEACHERS' INSTITUTE.

TO HOLD ALL DAY MEET

National Instructors Have Workers' Conferences—The Rev. Harry C. Wilson to Speak Tonight.

With a large number of out-of-town delegates and many Bible school workers of the city present, the Sunday school institute in session at the First Methodist church today and tomorrow, opened at 1:45 this afternoon.

The institute is in charge of three instructors, the Rev. Harry C. Wilson, superintendent of the department of institutes; Rev. Arlo Ayres Brown, superintendent of the teachers' training department, and Rev. James V. Thompson, superintendent of the teen age department, all of Chicago.

Three splendid addresses were given this afternoon. The Rev. Mr. Wilson spoke on the subject "The Maryville District; the Record and a Goal." An address on the subject "Training for Leadership" was given by the Rev. Mr. Brown, and this talk was followed by a talk by the Rev. Mr. Thompson on the subject "The Teens and the Sunday School."

A conference in which elementary department work was discussed concluded the afternoon program.

"The Twentieth Century Sunday School" will be the topic of an address to be given tonight by the Rev. Mr. Wilson. The meeting tonight will begin at 7:30 o'clock, and a half-hour devotion and song service will precede the lecture. Mr. Wilson will be the only speaker tonight.

An All-Day Session Tomorrow.

An all-day session will be held tomorrow, beginning at 9:30 o'clock in the morning. At noon the Ladies' Aid society will serve lunch in the dining room of the church for all delegates to the institute.

The morning program will include three addresses. The first one will be given at 9:45 o'clock by Mr. Brown from the subject "Building the Bible Class." The Rev. Mr. Thompson will follow with one on "Materials and Methods for the Teen Age," and Mr. Wilson will speak upon "Organization for Efficiency."

The conference held at 11:25 will be devoted to the adult and teen age departments and organization.

The afternoon program will be devoted to three lectures, the subjects being "Graded Instruction;" "Records and Efficiency" and "Teen Age Relinion." The feature of the closing session tomorrow night will be an address by the Rev. Mr. Thompson on the subject "The Great Objective." All the meetings and conferences are free to everyone.

ARE 1,216 OF SCHOOL AGE

Enumeration Shows One More Youth Than Year Ago—Are Divided Among 631 Families.

The annual school enumeration completed today by Ed F. Hamlin shows there are 1,216 children of school age in Maryville this spring, or only one more than a year ago. The school age includes all over 6 years of age and all under 20 years of age by next September. The children live in 631 homes of the city, 614 of them being among white families and 17 among negro families.

The number from each home ranged from one to eight, though the general average was not quite two to a family, where there were any of school age. The enumeration this year and last year follows:

	1915.	1914.
White, males	588	604
White, females	598	587
Negro, males	13	9
Negro, females	17	15
Totals	1,216	1,215

The school enrollment this term now is as follows: High school, 235; grades, 720; total, 955, or more than 200 less than enumeration shows.

CALL OFF CAMERON GAME.

Normal Base Ball Team Wins Game by Forfeiture—Play Jewells Tomorrow.

The Normal won the scheduled game with the Missouri Wesleyan base ball team at Cameron today 9 to 0, through forfeiture. After all plans had been made for leaving this morning for Cameron for a game, Coach Walter Hanson was notified that President DeBra of the Wesleyan school had expelled two of the Wesleyan players from school, badly crippling the team and that the game was called off.

The Normal nine will leave tomorroy morning for Liberty, however, to play the William Jewell aggregation tomorrow afternoon. It was that team that played rings around the Normal nine and ended with the best of a 6 to 0 score here some time ago. In fact, the Jewells haven't lost a game this season. The Normalites are going to win, however.

Nothing better for stomach ills than Nyal's Liver Salts. Koch Pharmacy.

TO HOLD ATHLETICS

HIGH SCHOOL PUPILS CONTEST TOMORROW AFTERNOON.

CUP FOR BEST ATHLETE

Offer 4 Ribbons for Each of 14 Events—Announce Track Meet Officials—Plan Picnic Later.

About twenty boys and perhaps nearly as many girls will compete in the Maryville high school track meet at the Normal grounds tomorrow afternoon, beginning at 2:30 o'clock. The entries will close at 8:30 o'clock tomorrow morning. Ribbons for the first four places in each of the thirteen events for boys and the one relay for girls are being printed today, while the loving cup for the individual making the most points is on exhibition today at the jewelry store of DeHart & Holmes, donors.

Following the track meet and field events at the Normal athletic field, a picnic and luncheon will be held in the Normal park. Each person participating is expected to furnish a basket or at least have some receptacle from which to draw for the "eats." A refreshment stand will be operated by the members of the domestic science class during the track meet. The fund will be used to better equip the class room.

Announce Officials.

The officials in tomorrow's meet, which probably will be made an annual affair, beginning this year, were announced by Superintendent W. M. Westbrook this morning as follows: Referee, H. P. Swinehart; manager, E. R. Utter; clerk and scorer, Harvey Watson; assistant clerk, Don Roberts; judges, W. H. Crawford, Elmore Frank W. J. Montgomery, Dr. Jesse Miller and W. M. Westbrook; timers, Lee Carpenter and Lieber Holmes; announcer, Lloyd Hartley.

There will be four ribbons for each of the fourteen events as follows: First, blue; second, red; third, orange; fourth, white. The loving cup for the individual winner is about eight inches high and is mounted on a mahogany pedestal or base. The winner will be judged by percentage, made during the meet, it not being absolutely necessary for the winner to secure first places.

To Have Many Events.

The events will be as follows: For boys, 100-yard dash, 220-yard dash, 440-yard dash, half-mile run, 120-yard hurdle, 220-yard hurdle, running broad jump, running high jump, running hop, step and jump, pole vault, shot put, discus, and half-mile class relay.

For girls there will be a 55-yard relay class preliminary, then a 220-yard relay. The 55-yard dash will be offered for girls of each of the four high school classes. The winners of the first four places in each class will then be entered in the 220-yard relay, to determine the first four winners. There will be no standing broad jump nor mile run events.

It is believed from present indications in practice trials that either Eugene Yehle, Verne Pickens or George Flemming will carry off the individual trophy cup tomorrow afternoon. Yehle is best as vaulter, jumper and dash runner, Pickens on runs and dashes, and Flemming on the dashes. Some of the others slated for a classy showing tomorrow are Ellison Frank, Claude Glass, James Halasey and Joe Farmer.

TO INCREASE FACULTY

Maryville Conservatory of Music Will Add Two Teachers.

Two teachers will be added to the faculty of the Maryville Conservatory of Music after June 1. They will be Miss Rice, pianist, who comes from the Kansas State Normal school of Emporia, Kan., and Miss Callie Thompson, violinist, of St. Joseph.

Miss Rice has been head of the music department of the Normal school at Emporia for the past four years. She is a pupil of Fanny Bloomfield Zeisler, and supplemented three years of study in New York with a course at Berlin, Germany.

Miss Thompson has been a pupil of Wort S. Morse for the past five years and is an artist of unusual ability. She takes the place of Miss Edythe Wilson, who leaves for San Francisco, Cal., to spend the summer.

With the opening of the June term the work of the Conservatory will be reorganized. Two new teaching rooms have been added and the faculty will include Prof. P. O. Landon, director; Miss Rice, Miss Alice Porter, Miss Eleanor Smith and Miss Wilma Mills, piano; Miss Jennie Garrett, voice department, and Miss Thompson, violin.

TO PARK LIBRARY GROUNDS

Board Will Make Many Improvements—Annual Report Shows Good Condition.

The library board has taken up the work of beautifying the grounds of the city library by planting flowers, shrubs and vines, and terracing and leveling the lawn. Several large beds of flowering annuals will be planted and the building will be circled with clinging vines. Later in the year some needed improvements will probably be added to the building.

The report of the librarian for the year ending April 30 shows a greater accession of books and periodicals than any previous year. During the 1914 year 261 books were added. Of these, 247 were purchased by the board, and 14 were donated. The total number of books at present on the library shelves is 8,648, which includes fiction, biography, science and philosophy, useful and fine arts, history, literature and general works.

The total number of magazines in use during the year is 60, and the number of newspapers 13. Of this latter number 8 are local papers and 5 are city dailies. The total number of books loaned last year was 4,559, and the total number of magazines 1,448.

WENT TO 96 DEGREES TODAY.

Temperature Reaches Record Set April 28—Lowest Was 60.

The temperature at 3 o'clock this afternoon was 96 degrees, according to J. R. Brink, government weather recorder. That is the same as the season's record set April 28. The daily readings taken at 7 o'clock this morning showed the maximum temperature to have been 94 degrees and the minimum to have been 60 degrees for the twenty-four hours preceding.

Returns from Fayette.

Mrs. E. B. Sheldon returned Tuesday night from Fayette, Mo., where she visited her daughters, Mrs. Joseph William Dyson and Miss Maude Sheldon. Mrs. Sheldon stopped at Fayette on her way home from Hannibal, where she attended a meeting of the Women's Missionary society of the South Methodist conference.

THE WEATHER

Generally fair tonight and Friday.

STATE K. OF C.'S MEET HERE IN 1916

MARYVILLE WINS OVER ST. LOUIS AS HOST TO ORDER.

EXPECT 400 VISITORS TO COME NEXT SPRING

Local Delegation Succeeds, With Commercial Club's Aid, in Landing Convention.

Maryville Commercial Club,
Maryville, Mo.

We get the Knights of Columbus state convention for next year with St. Louis as competitor. Cape Girardeau had 400 visitors from all over the state. Maryville is assured that many, possibly more.

JAMES B. CUMMINS.

Delegates decided by a safe majority yesterday at the annual Missouri state convention of the Knights of Columbus at Cape Girardeau to hold the 1916 state convention of the order in Maryville, according to the foregoing telegram from Mr. Cummins, grand knight of the local lodge of Knights of Columbus, and also by John Murrin, a delegate from here, who returned to Maryville this morning.

The convention is expected to bring between 400 and 500 visiting delegates here. It will probably be held in May, 1916, and will be for two or three days, probably two. The business sessions and public meetings will probably be held in the opera house.

Plan Some Entertainment.

Several forms of entertainment will be provided in the way of banquets, a ball and auto sight seeing trips over the city and to the Normal surrounding territory. One of the features of the entertainment at Cape Girardeau was a boat ride on the Mississippi river.

The delegates sent from Maryville council, No. 1339, Knights of Columbus, were James B. Cummins, John Murrin and Fred Diss. Mr. Cummins and Mr. Diss are expected to return tomorrow morning. The convention was held there Tuesday and yesterday. They left here Monday. William Delfing also was a delegate, but did not attend. Mr. Murrin acted as alternate.

The first move to bring the next state convention here was made by the board of directors of the Commercial club recently, when it was decided to invite the delegates to come to Maryville in 1916, if it was found possible to win out.

Even Beat St. Louis.

The Maryville delegation accordingly "felt out" the situation when it arrived at Cape Girardeau, and perceiving that Maryville had a chance, wired the club to extend an invitation. The invitation was sent yesterday. When the proposition was put to a vote yesterday, Maryville won by a good margin over St. Louis. The delegations from both Kansas City and St. Joseph worked for Maryville.

The local lodge of the Knights of Columbus now has about 85 members, and holds meetings twice monthly. It is now quite active. There is a total membership in Missouri of about 10,000 divided into about 200 lodges or councils. Two and three delegates are sent to the state convention from each council.

Among Inexpensive Waists They Are in a Class Apart from What is Ordinarily Sold at the Price

WIRTHMOR WAISTS sell at one dollar always, and they are always in a class apart and vastly superior to other Waists obtainable at this price. The care of workmanship, the neatness of finish, the pretty refined styles—all distinguish them from the ordinary dollar waists. In fact, from their general appearance, as well as from their inherent merit, which insures long and satisfactory wear, these Waists are very much like one would expect to buy for a somewhat higher price.

Wirthmor Waists are Sold here Exclusively They are always one dollar and always worth more.

COMPLETE POLK PROGRAM

Arrangements Finished For Eighth Grade Commencement and Track Meet Saturday Afternoon.

Arrangements have been made for the commencement and track meet to be held here Saturday afternoon by the grade pupils of the rural schools of Polk township. The commencement exercises for the seventeen eighth grade graduates will be held at the First Christian church, beginning promptly at 1:15 o'clock. Pupils graduating outside of Polk township may be formally graduated here if they desire.

The track meet for pupils of all grades will immediately follow — probably about 3 o'clock. It will be held on the north side of the square. Ten events have been arranged, some for boys, some for girls and some for both. Two prizes of $1.00 and 50 cents are being offered in each. Many pupils are expected to enter. The judges of the events were announced today by Bert Cooper, as being the Rev. R. L. Finch, H. L. Raines and a Mr. Powell at the Normal.

The commencement program in full follows:

Music.....Maulding's Orchestra

Beware of Ointments for Catarrh That Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price, 75c. per bottle.
Take Hall's Family Pills for constipation.

JAMES KING, 78, DIES.

Funeral Services to Be Held at Workman Chapel Tomorrow.

James King, 78 years old, died at 2 o'clock this morning at his home, in Pickering. Mr. King had been a sufferer from cancer for several months. He is survived by his wife and three children. They are William King of Hopkins and Andrew King—and Mrs. Charles Buzzard of Pickering.

The funeral services will be held at 11 o'clock tomorrow morning at the Workman Chapel church, west of Pickering, and the burial will be made in the Workman cemetery. The service will be conducted by the Rev. E. S. Carmichael of Hopkins.

Dinner Party.

Mr. and Mrs. John Leiber Holmes were the hosts of a dinner party last night, at which they entertained Mrs. Harold Ford of Chicago, who is the guest of her parents, Dr. and Mrs. Charles S. Jackson, and Miss Cecile Benight.

For Montana Visitor.

Mrs. Margaret Curfman and daughter, Miss Katherine Curfman, entertained at luncheon today to honor Mrs. Curfman's granddaughter, Mrs. Asa Willard, and children, Mabel and Robert, of Missoula, Mont. Additional guests were Misses Mabel and Helen Todd and Mr. J. F. Colby. Mrs. Willard and children will be dinner guests tonight of Mr. and Mrs. Ed Curfman.

Mrs. Robinson to Entertain.

Mrs. James B. Robinson will entertain with a kensington and tea tomorrow afternoon in courtesy to Mrs. Frances Totterdale, Mrs. J. Lou McKee and Mrs. S. J. Richardson of Pueblo, Col., who are house guests of Mrs. Isabelle Worst and family. Mrs. Robinson will further entertain with a luncheon Tuesday, at which Mrs. Harold Ford of Chicago will be the complimented guest.

Domino Party.

A pretty affair of the week was a domino given yesterday afternoon by Mrs. Joseph Jackson, Jr., when she entertained about fifty friends. Fragrant spring flowers decked the rooms where the game tables were arranged. Mrs. Jackson was assisted by her small daughter, Mary Helen; her mother, Mrs. Jim Andy Ford, and Miss Cecile Benight in entertaining. At the conclusion of the games the one holding the highest score at each table was given the center adornment, a crystal basket filled with sweet peas.

To Give Comedy Playlet.

The feature of a home talent entertainment to be given tonight by the C. W. B. M. in the auditorium of the First Christian church will be a playlet, entitled "Packing the Home Missionary Barrel." The sketch is extremely comic in plot and action, and the parts will be taken by members of the society. Musical numbers will be given by Mrs. F. P. Robinson, Mrs. Paul Sawyers of St. Joseph, Miss Blanche Gray, Miss Marie Reuillard and Miss Ola Smith, and there will be a reading by Miss Thelia Hogue. A silver offering will be taken for the benefit of the society.

Mrs. Colbert Complimented.

Mrs. George Harris Colbert, president of the City Federation of Women's Clubs has been selected as one of the program speakers at the coming bi-ennial meeting of the Missouri Federation of Women's Clubs, to be held in St. Joseph May 26 to 28. Mrs. Colbert will be one of the six after-dinner speakers at the civic luncheon to be given at the Robidoux hotel in honor of the delegates to the convention. The six speakers are selected from as many parts of the state, and the subject of Mrs. Colbert's toast will be apropos of the northwest section.

Federation Committees Appointed.

At the monthly meeting of the City Federation of Women's Clubs, held yesterday afternoon, the various committees for the year were appointed. Those chosen were:

Civics—Miss Jessie Parcher, chairman; Mrs. W. O. Garrett, Mrs. C. C. Corwin and Mrs. E. G. Orear; home economics, Miss Orril Helwig and Mrs. W. A. Rickenbrode; educational, Mrs. Berney Harris and Mrs. Omer Catterson; club house, Mrs. E. G. Orear.

Delegates were appointed to the bi-ennial meeting of the Missouri Federation, to be held in St. Joseph the last week in May. Those chosen were Mrs. G. H. Colbert, president of the City Federation, and Mrs. W. C. Van Cleve, with Miss Orril Helwig as alternate.

Mrs. Van Cleve was also appointed to represent the City Federation on the lecture-lyceum board. Mrs. Walter Mutz tendered her resignation as treasurer, and Mrs. Omer Catterson was elected to fill the vacancy. No definite plan of work for the coming year was decided upon or will be until the report of the delegates to the meeting of the Missouri Federation is received and the plan will then be outlined.

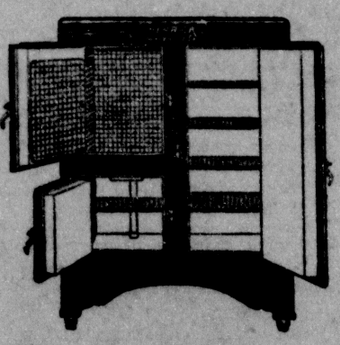
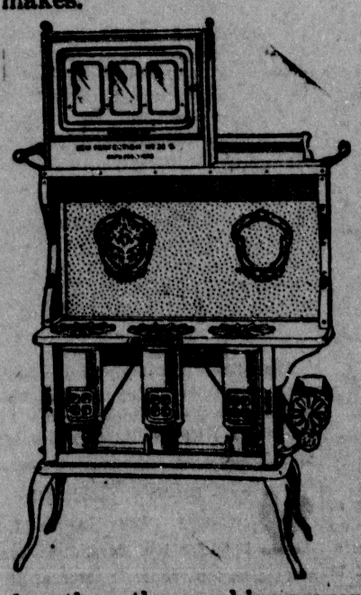
TOWNSENDS
FOURTH AND MAIN STS.

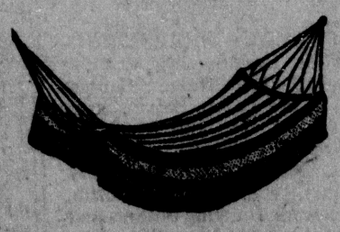


THIS WARM WEATHER will bring the refrigerator proposition up for consideration, and it will be impossible to arrive at the proper solution without letting us explain to you the **HERRICK** construction. Then you will understand why the Herrick delivers more dry cold air per the amount consumed than any other kind. And you will also be convinced of their perfect sanitary construction.

THE JERSEY triple motion freezer will not only freeze the cream in the shortest time possible, but on account of the construction of the revolving cream whips will so thoroughly whip the cream as to make it free from lumps and particles of ice, and costs no more than inferior makes.



THE NEW PERFECTION is the oil cooker that has made it possible to burn the cheapest oil and get absolutely satisfactory results. This has only been possible by adhering to the mechanical construction that will produce the proper combustion so as to produce a steady blue flame without smoke and unpleasant odor. We will be pleased to explain the WHY of the New Perfection Cooker.



THE LA CROSSE hand-woven hammock is constructed on lines to produce the greatest strength and durability and with the long stretch in each end makes a good and comfortable bed and costs less than the machine woven hammocks. Let us show you this line.

Croquet sets 75c to $3.50. Lawn Tennis Nets, Rackets and Balls. Also a full line of Gloves, Balls and Bats.

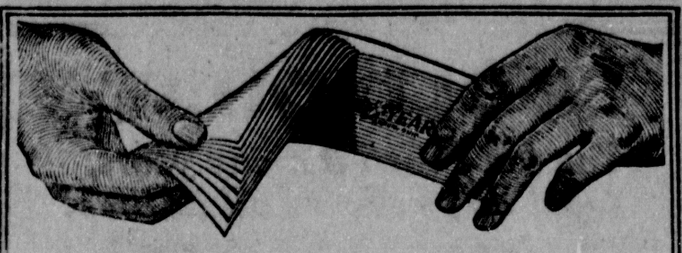
Yearlings Weigh 891.

Dwight Hopple sold Fred Sheley a bunch of yearlings Monday that weighed 891. They were a mixed lot and had been fed corn. They brought $785 on the Hopkins market.



Leakless Inner Tubes

Goodyear Laminated Tubes
Built Layer on Layer—Extra Thick

Here is something every motorist should know.

Goodyear Laminated Tubes are built of many thin layers—each of pure rubber—vulcanized together. No flaw can be hidden as in a thick piece of rubber. It is seen and eliminated. Every layer is perfect.

Such a Tube can't leak. And our valve patch can't leak, because it is part of the Tube and not stuck on.

Remember that. Many a tire trouble is due to leaky Tubes.

14% Heavier

Goodyear Laminated Tubes are extra heavy. They have always outworn any tire. But this year we have added 14 per cent to their average thickness—all pure rubber.

And our Tube prices this year are reduced 20 per cent. So these layer Tubes, extra-thick, now cost about the same as others.

Always Gray

Goodyear Laminated Tubes are not colored. They are gray—the natural pure rubber color. Color requires a large percentage of mineral adulteration. And minerals hold heat, a Tube's worst enemy.

Whatever tires you use, get Goodyear Tubes. They will outlast your tires, save you leaks and trouble. They will also convert you to Goodyear Fortified Tires, built by the same high standards.

Any dealer will supply you. (2376)

PAVING ON FIFTH ASSURED BY CITY

COUNCIL PASSES IMPROVEMENT BILL—MORE TUESDAY.

RENEW FIGHT ON CITY CLERK; BOTH ARE FIRM

Move to Appoint Official Again Fails—"I Will Stand Pat," Says Both Faction Leaders.

An ordinance to pave Fifth street from Market street west about seven and one-half regulation blocks to Dunn street, thence on Dunn street from Fifth street south a half block to Normal avenue, was passed by the city council in an adjourned session last night. The lack of time to prepare the paving specifications and draft an ordinance and in which to read the ordinances, prevented the other paving ordinances to be passed last night

The ordinance, as all others will be, provides that all bids shall be submitted to City Engineer F. L. Flynt not later than 4.30 o'clock Monday afternoon, May 31. It asks for bids for both tar concrete and asphalt concrete paving, the tar paving to be lower priced, of course. Provision also is made that the paving shall be begun not later than thirty days after the paving contract is awarded and shall be completed within ninety days.

To Guarantee Paving 5 Years.

Another provision is that the contractor shall enter into a bonded guarantee to keep the paving in good condition for a period of five years, and that at the expiration of that time the pavement shall have a contour free from depressions of any kind exceeding one-half inch in depth, be free from cracks, and shall contain no signs of disintegrated surface mixture. The ordinance provides that the contractor shall furnish bond at the rate of $500 per block to be paved.

The specifications for the Fifth street paving as compiled by Engineer Flynt, estimates that the paving on Fifth and Dunn will require 1,500 cubic yards of excavation, 4,600 lineal feet of curbing, 316 lineal feet headers and 7,950 square yards of bituminous concrete pavement.

Finish Job Tuesday.

It is intended to introduce the ordinances for public improvement at the same time, and to open all bids at the same time so as to secure satisfactory price for the improvement work.

The council will meet again next Tuesday night, May 18, to adjourn to session to pass similar ordinances to pave Mulberry street from Ninth to Twelfth, and Twelfth from Mulberry to Walnut, Thompson from Walnut to Main, Mulberry to the Normal.

[illegible] necessity of having [illegible] ance through the [illegible] age, it may be necessary to [illegible] journed sessions next Tuesday night and Wednesday night.

[illegible] on taken last night was to set aside an ordinance bill to construct sidewalks on Lieber street and South Market street, petitioner, to circulate a new petition providing for sidewalk improvement for a greater distance than the first provided.

City Clerk Fight.

[illegible] between the council and Mayor [illegible] Wright over the matter of appointing a city clerk was again brought up last night prior to adjournment. It was begun when Councilman Raines asked permission of the mayor to have George Robb Ellison, attorney, present the law relative to city clerk appointment as he saw it. The Mayor [illegible] refused.

A motion to proceed to elect a city clerk was then made. It was voted out of order. An appeal from the chair was then attempted by Councilman Raines, but this move also was blocked.

Councilman Raines, as president of the board of aldermen, then proceeded to call for a vote on city clerk. Five votes [illegible] Rowley and two for [illegible] nett for city clerk. The [illegible] and as was taken at [illegible] ting. But another stu[illegible] was encountered when [illegible] refused to have a po[illegible] en.

Mayor Wright.

[illegible] hat Attorney Ellison spoke on behalf of [illegible] opposing Bennett [illegible] efeated. No headway [illegible] either side, a motion [illegible] s then made and carried [illegible] on Bennett will prevail [illegible] at the adjourned meeting [illegible] y night, if time is available.

[illegible] right where I am [illegible] id Mayor Wright [illegible] king of the fight on [illegible] "The state statute [illegible] erk shall be appointed [illegible] with consent of the [illegible] e city ordinance [illegible] elected. I believe [illegible] ld be adhered to. [illegible] ry to put me out [illegible] ut I shall stand for [illegible] of Bennett, just the [illegible] nt a fight and would [illegible] me matter peaceably, however."

To Try New Tactics.

"[illegible] is not yet over and we [illegible] al moves we can yet make [illegible] about satisfaction," said Councilman Raines, leader of the opposide of the council, this morning. "I will not say what those moves will be nor what action will be taken, but I will not stand long for this blockade. I hope we can settle the matter peaceably, but we are not going to back down."

When asked if impeachment proceedings would be brought against the mayor if the appointment of Rowley was not allowed, Councilman Raines would make no statement other than that he hoped such action would not be necessary.

M. E. SCHOOL OPENS

FIRST METHODISTS BEGIN BIBLE TEACHERS' INSTITUTE.

TO HOLD ALL DAY MEET

National Instructors Have Workers' Conferences—The Rev. Harry C. Wilson to Speak Tonight.

With a large number of out-of-town delegates and many Bible school workers of the city present, the Sunday school institute in session at the First Methodist church today and tomorrow, opened at 1:45 this afternoon.

The institute is in charge of three instructors, the Rev. Harry C. Wilson, superintendent of the department of institutes; Rev. Arlo Ayres Brown, superintendent of the teachers' training department, and Rev. James V. Thompson, superintendent of the teen age department, all of Chicago.

Three splendid addresses were given this afternoon. The Rev. Mr. Wilson spoke on the subject "The Maryville District; the Record and a Goal." An address on the subject "Training for Leadership" was given by the Rev. Mr. Brown, and this talk was followed by a talk by the Rev. Mr. Thompson on the subject "The Teens and the Sunday School."

A conference in which elementary department work was discussed concluded the afternoon program.

"The Twentieth Century Sunday School" will be the topic of an address to be given tonight by the Rev. Mr. Wilson. The meeting tonight will begin at 7:30 o'clock, and a half-hour devotion and song service will precede the lecture. Mr. Wilson will be the only speaker tonight.

An All-Day Session Tomorrow.

An all-day session will be held tomorrow, beginning at 9:30 o'clock in the morning. At noon the Ladies' Aid society will serve lunch in the dining room of the church for all delegates to the institute.

The morning program will include three addresses. The first one will be given at 9:45 o'clock by Mr. Brown from the subject "Building the Bible Class." The Rev. Mr. Thompson will follow with one on "Materials and Methods for the Teen Age," and Mr. Wilson will speak upon "Organization for Efficiency."

The conference held at 11:25 will be devoted to the adult and teen age departments and organization.

The afternoon program will be devoted to three lectures, the subjects being "Graded Instruction;" "Records and Efficiency" and "Teen Age Religion." The feature of the closing session tomorrow night will be an address by the Rev. Mr. Thompson on the subject "The Great Objective." All the meetings and conferences are free to everyone.

ARE 1,216 OF SCHOOL AGE

Enumeration Shows One More Youth Than Year Ago—Are Divided Among 631 Families.

The annual school enumeration completed today by Ed F. Hamlin shows there are 1,216 children of school age in Maryville this spring, or only one more than a year ago. The school age includes all over 6 years of age and all under 20 years of age by next September. The children live in 631 homes of the city, 614 of them being among white families and 17 among negro families.

The number from each home ranged from one to eight, though the general average was not quite two to a family, where there were any of school age. The enumeration this year and last year follows:

	1915.	1914.
White, males	588	604
White, females	598	587
Negro, males	13	9
Negro, females	17	15
Totals	1,216	1,215

The school enrollment this term now is as follows: High school, 235; grades, 720; total, 955, or more than 200 less than enumeration shows.

CALL OFF CAMERON GAME.

Normal Base Ball Team Wins Game by Forfeiture—Play Jewells Tomorrow.

The Normal won the scheduled game with the Missouri Wesleyan base ball team at Cameron today 9 to 0, through forfeiture. After all plans had been made for leaving this morning for Cameron for a game, Coach Walter Hanson was notified that President DeBra of the Wesleyan school had expelled two of the Wesleyan players from school, badly crippling the team and that the game was called off.

The Normal nine will leave tomorroy morning for Liberty, however, to play the William Jewell aggregation tomorrow afternoon. It was that team that played rings around the Normal nine and ended with the best of a 6 to 0 score here some time ago. In fact, the Jewells haven't lost a game this season. The Normalites are going to win, however.

Nothing better for stomach ills than Nyal's Liver Salts. Koch Pharmacy.

CULTIVATOR SALE

AT AUCTION

I shall sell at auction, beginning at 1 o'clock,

Saturday, May 15, 1915,

TO HOLD ATHLETICS

HIGH SCHOOL PUPILS CONTEST TOMORROW AFTERNOON.

CUP FOR BEST ATHLETE

Offer 4 Ribbons for Each of 14 Events—Announce Track Meet Officials—Plan Picnic Later.

About twenty boys and perhaps nearly as many girls will compete in the Maryville high school track meet at the Normal grounds tomorrow afternoon, beginning at 2:30 o'clock. The entries will close at 8:30 o'clock tomorrow morning. Ribbons for the first four places in each of the thirteen events for boys and the one relay for girls are being printed today, while the loving cup for the individual making the most points is on exhibition today at the jewelry store of DeHart & Holmes, donors.

Following the track meet and field events at the Normal athletic field, a picnic and luncheon will be held in the Normal park. Each person participating is expected to furnish a basket or at least have some receptacle from which to draw for the "eats." A refreshment stand will be operated by the members of the domestic science class during the track meet. The fund will be used to better equip the class room.

Announce Officials.

The officials in tomorrow's meet, which probably will be made an annual affair, beginning this year, were announced by Superintendent W. M. Westbrook this morning as follows: Referee, H. P. Swinehart; manager, E. R. Utter; clerk and scorer, Harvey Watson; assistant clerk, Don Roberts; judges, W. H. Crawford, Elmore Frank W. J. Montgomery, Dr. Jesse Miller and W. M. Westbrook; timers, Lee Carpenter and Lieber Holmes; announcer, Lloyd Hartley.

There will be four ribbons for each of the fourteen events as follows: First, blue; second, red; third, orange; fourth, white. The loving cup for the individual winner is about eight inches high and is mounted on a mahogany pedestal or base. The winner will be judged by percentage, made during the meet, it not being absolutely necessary for the winner to secure first places.

To Have Many Events.

The events will be as follows: For boys, 100-yard dash, 220-yard dash, 440-yard dash, half-mile run, 120-yard hurdle, 220-yard hurdle, running broad jump, running high jump, running hop, step and jump, pole vault, shot put, discus, and half-mile class relay.

For girls there will be a 55-yard relay class preliminary, then a 220-yard relay. The 55-yard dash will be offered for girls of each of the four high school classes. The winners of the first four places in each class will then be entered in the 220-yard relay, to determine the first four winners. There will be no standing broad jump nor mile run events.

It is believed from present indications in practice trials that either Eugene Yehle, Verne Pickens or George Flemming will carry off the individual trophy cup tomorrow afternoon. Yehle is best as vaulter, jumper and dash runner, Pickens on runs and dashes, and Flemming on the dashes. Some of the others slated for a classy showing tomorrow are Ellison Frank, Claude Glass, James Halasey and Joe Farmer.

TO INCREASE FACULTY

Maryville Conservatory of Music Will Add Two Teachers.

Two teachers will be added to the faculty of the Maryville Conservatory of Music after June 1. They will be Miss Rice, pianist, who comes from the Kansas State Normal school of Emporia, Kan., and Miss Callie Thompson, violinist, of St. Joseph.

Miss Rice has been head of the music department of the Normal school at Emporia for the past four years. She is a pupil of Fanny Bloomfield Zeisler, and supplemented three years of study in New York with a course at Berlin, Germany.

Miss Thompson has been a pupil of Wort S. Morse for the past five years and is an artist of unusual ability. She takes the place of Miss Edythe Wilson, who leaves for San Francisco, Cal., to spend the summer.

With the opening of the June term the work of the Conservatory will be reorganized. Two new teaching rooms have been added and the faculty will include Prof. P. O. Landon, director; Miss Rice, Miss Alice Porter, Miss Eleanor Smith and Miss Wilma Mills, piano; Miss Jennie Garrett, voice department, and Miss Thompson, violin.

TO PARK LIBRARY GROUNDS

Board Will Make Many Improvements—Annual Report Shows Good Condition.

The library board has taken up the work of beautifying the grounds of the city library by planting flowers, shrubs and vines, and terracing and leveling the lawn. Several large beds of flowering annuals will be planted and the building will be circled with clinging vines. Later in the year some needed improvements will probably be added to the building.

The report of the librarian for the year ending April 30 shows a greater accession of books and periodicals than any previous year. During the 1914 year 261 books were added. Of these, 247 were purchased by the board, and 14 were donated. The total number of books at present on the library shelves is 8,648, which includes fiction, biography, science and philosophy, useful and fine arts, history, literature and general works.

The total number of magazines in use during the year is 60, and the number of newspapers 13. Of this latter number 8 are local papers and 5 are city dailies. The total number of books loaned last year was 4,559, and the total number of magazines 1,448.

WENT TO 96 DEGREES TODAY.

Temperature Reaches Record Set April 28—Lowest Was 60.

The temperature at 3 o'clock this afternoon was 96 degrees, according to J. R. Brink, government weather recorder. That is the same as the season's record set April 28. The daily readings taken at 7 o'clock this morning showed the maximum temperature to have been 94 degrees and the minimum to have been 60 degrees for the twenty-four hours preceding.

Returns from Fayette.

Mrs. E. B. Sheldon returned Tuesday night from Fayette, Mo., where she visited her daughters, Mrs. Joseph William Dyson and Miss Maude Sheldon. Mrs. Sheldon stopped at Fayette on her way home from Hannibal, where she attended a meeting of the Women's Missionary society of the South Methodist conference.

THE WEATHER

Generally fair tonight and Friday.

STATE K. OF C.'S MEET HERE IN 1916

MARYVILLE WINS OVER ST. LOUIS AS HOST TO ORDER.

EXPECT 400 VISITORS TO COME NEXT SPRING

Local Delegation Succeeds, With Commercial Club's Aid, in Landing Convention.

Maryville Commercial Club,
Maryville, Mo.

We get the Knights of Columbus state convention for next year with St. Louis as competitor. Cape Girardeau had 400 visitors from all over the state. Maryville is assured that many, possibly more.

JAMES B. CUMMINS.

Delegates decided by a safe majority yesterday at the annual Missouri state convention of the Knights of Columbus at Cape Girardeau to hold the 1916 state convention of the order in Maryville, according to the foregoing telegram from Mr. Cummins, grand knight of the local lodge of Knights of Columbus, and also by John Murrin, a delegate from here, who returned to Maryville this morning.

The convention is expected to bring between 400 and 500 visiting delegates here. It will probably be held in May, 1916, and will be for two or three days, probably two. The business sessions and public meetings will probably be held in the opera house.

Plan Some Entertainment.

Several forms of entertainment will be provided in the way of banquets, a ball and auto sight seeing trips over the city and to the Normal surrounding territory. One of the features of the entertainment at Cape Girardeau was a boat ride on the Mississippi river.

The delegates sent from Maryville council, No. 1339, Knights of Columbus, were James B. Cummins, John Murrin and Fred Diss. Mr. Cummins and Mr. Diss are expected to return tomorrow morning. The convention was held there Tuesday and yesterday. They left here Monday. William Delfing also was a delegate, but did not attend. Mr. Murrin acted as alternate.

The first move to bring the next state convention here was made by the board of directors of the Commercial club recently, when it was decided to invite the delegates to come to Maryville in 1916, if it was found possible to win out.

Even Beat St. Louis.

The Maryville delegation accordingly "felt out" the situation when it arrived at Cape Girardeau, and perceiving that Maryville had a chance, wired the club to extend an invitation. The invitation was sent yesterday. When the proposition was put to a vote yesterday, Maryville won by a good margin over St. Louis. The delegations from both Kansas City and St. Joseph worked for Maryville.

The local lodge of the Knights of Columbus now has about 85 members, and holds meetings twice monthly. It is now quite active. There is a total membership in Missouri of about 10,000 divided into about 200 lodges or councils. Two and three delegates are sent to the state convention from each council.

Among Inexpensive Waists They Are in a Class Apart from What is Ordinarily Sold at the Price

WIRTHMOR WAISTS sell at one dollar always, and they are always in a class apart and vastly superior to other Waists obtainable at this price. The care of workmanship, the neatness of finish, the pretty refined styles—all distinguish them from the ordinary dollar waists. In fact, from their general appearance, as well as from their inherent merit, which insures long and satisfactory wear, these Waists are very much like one would expect to buy for a somewhat higher price.

Wirthmor Waists are Sold here Exclusively They are always one dollar and always worth more.

COMPLETE POLK PROGRAM

Arrangements Finished For Eighth Grade Commencement and Track Meet Saturday Afternoon.

Arrangements have been made for the commencement and track meet to be held here Saturday afternoon by the grade pupils of the rural schools of Polk township. The commencement exercises for the seventeen eighth grade graduates will be held at the First Christian church, beginning promptly at 1:15 o'clock. Pupils graduating outside of Polk township may be formally graduated here if they desire.

The track meet for pupils of all grades will immediately follow — probably about 3 o'clock. It will be held on the north side of the square. Ten events have been arranged, some for boys, some for girls and some for both. Two prizes of $1.00 and 50 cents are being offered in each. Many pupils are expected to enter. The judges of the events were announced today by Bert Cooper, as being the Rev. R. L. Finch, H. L. Raines and a Mr. Powell at the Normal.

The commencement program in full follows:

Music.....Maulding's Orchestra
Invocation.....The Rev. G. S. Cox

Beware of Ointments for Catarrh That Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price, 75c. per bottle.
Take Hall's Family Pills for constipation.

JAMES KING, 78, DIES.

Funeral Services to Be Held at Workman Chapel Tomorrow.

James King, 78 years old, died at 2 o'clock this morning at his home, in Pickering. Mr. King had been a sufferer from cancer for several months. He is survived by his wife and three children. They are William King of Hopkins and Andrew King and Mrs. Charles Buzzard of Pickering.

The funeral services will be held at 11 o'clock tomorrow morning at the Workman Chapel church, west of Pickering, and the burial will be made in the Workman cemetery. The service will be conducted by the Rev. E. S. Carmichael of Hopkins.

Dinner Party.

Mr. and Mrs. John Leiber Holmes were the hosts of a dinner party last night, at which they entertained Mrs. Harold Ford of Chicago, who is the guest of her parents, Dr. and Mrs. Charles S. Jackson, and Miss Cecile Benight.

For Montana Visitor.

Mrs. Margaret Curfman and daughter, Miss Katherine Curfman, entertained at luncheon today to honor Mrs. Curfman's granddaughter, Mrs. Asa Willard, and children, Mabel and Robert, of Missoula, Mont. Additional guests were Misses Mabel and Helen Todd and Mr. J. F. Colby. Mrs. Willard and children will be dinner guests tonight of Mr. and Mrs. Ed Curfman.

Mrs. Robinson to Entertain.

Mrs. James B. Robinson will entertain with a kensington and tea tomorrow afternoon in courtesy to Mrs. Frances Totterdale, Mrs. J. Lou McKee and Mrs. S. J. Richardson of Pueblo, Col., who are house guests of Mrs. Isabelle Worst and family. Mrs. Robinson will further entertain with a luncheon Tuesday, at which Mrs. Harold Ford of Chicago will be the complimented guest.

Domino Party.

A pretty affair of the week was a domino given yesterday afternoon by Mrs. Joseph Jackson, Jr., when she entertained about fifty friends. Fragrant spring flowers decked the rooms where the game tables were arranged. Mrs. Jackson was assisted by her small daughter, Mary Helen; her mother, Mrs. Jim Andy Ford, and Miss Cecile Benight in entertaining. At the conclusion of the games the one holding the highest score at each table was given the center adornment, a crystal basket filled with sweet peas.

To Give Comedy Playlet.

The feature of a home talent entertainment to be given tonight by the C. W. B. M. in the auditorium of the First Christian church will be a playlet, entitled "Packing the Home Missionary Barrel." The sketch is extremely comic in plot and action, and the parts will be taken by members of the society. Musical numbers will be given by Mrs. F. P. Robinson, Mrs. Paul Sawyers of St. Joseph, Miss Blanche Gray, Miss Marie Reuillard and Miss Ola Smith, and there will be a reading by Miss Thella Hogue. A silver offering will be taken for the benefit of the society.

Mrs. Colbert Complimented.

Mrs. George Harris Colbert, president of the City Federation of Women's Clubs has been selected as one of the program speakers at the coming bi-ennial meeting of the Missouri Federation of Women's Clubs, to be held in St. Joseph May 26 to 28. Mrs. Colbert will be one of the six after-dinner speakers at the civic luncheon to be given at the Robidoux hotel in honor of the delegates to the convention. The six speakers are selected from as many parts of the state, and the subject of Mrs. Colbert's toast will be apropos of the northwest section.

Federation Committees Appointed.

At the monthly meeting of the City Federation of Women's Clubs, held yesterday afternoon, the various committees for the year were appointed. Those chosen were:

Civics—Miss Jessie Parcher, chairman; Mrs. W. O. Garrett, Mrs. C. C. Corwin and Mrs. E. G. Orear; home economics, Miss Orril Helwig and Mrs. W. A. Rickenbrode; educational, Mrs. Berney Harris and Mrs. Omer Catterson; club house, Mrs. E. G. Orear.

Delegates were appointed to the bi-ennial meeting of the Missouri Federation, to be held in St. Joseph the last week in May. Those chosen were Mrs. G. H. Colbert, president of the City Federation, and Mrs. W. C. Van Cleve, with Miss Orril Helwig as alternate.

Mrs. Van Cleve was also appointed to represent the City Federation on the lecture-lyceum board. Mrs. Walter Mutz tendered her resignation as treasurer, and Mrs. Omer Catterson was elected to fill the vacancy. No definite plan of work for the coming year was decided upon or will be until the report of the delegates to the meeting of the Missouri Federation is received and the plan will then be outlined.

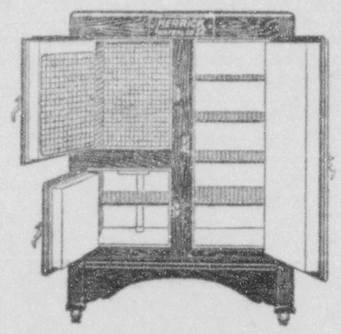
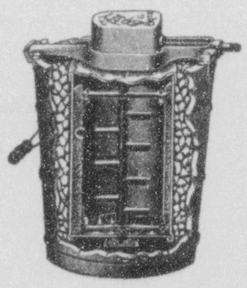
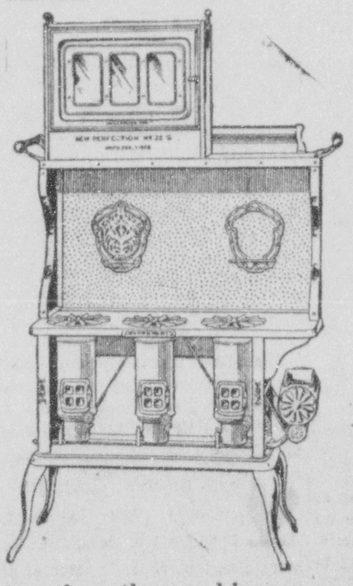
TOWNSENDS
FOURTH AND MAIN STS



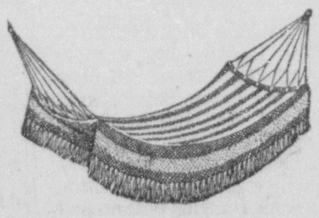
THIS WARM WEATHER will bring the refrigerator proposition up for consideration, and it will be impossible to arrive at the proper solution without letting us explain to you the **HERRICK** construction. Then you will understand why the Herrick delivers more dry cold air per the amount consumed than any other kind. And you will also be convinced of their perfect sanitary construction.



THE JERSEY triple motion freezer will not only freeze the cream in the shortest time possible, but on account of the construction of the revolving cream whips will so thoroughly whip the cream as to make it free from lumps and particles of ice, and costs no more than inferior makes.



THE NEW PERFECTION is the oil cooker that has made it possible to burn the cheapest oil and get absolutely satisfactory results. This has only been possible by adhering to the mechanical construction that will produce the proper combustion so as to produce a steady blue flame without smoke and unpleasant odor. We will be pleased to explain the WHY of the New Perfection Cooker.



THE LA CROSSE hand-woven hammock is constructed on lines to produce the greatest strength and durability and with the long stretch in each end makes a good and comfortable bed and costs less than the machine woven hammocks. Let us show you this line.

Croquet sets 75c to $3.50. Lawn Tennis Nets, Rackets and Balls. Also a full line of Gloves, Balls and Bats.

Our May White Sale Closes Saturday Night—Don't Overlook the SPECIALS IN THE VARIOUS DEPARTMENTS

WILL NOT RUN BUS LINE

The proposed cross-country bus service between Maryville and Graham, Maitland and Skidmore, which was to have been started today by E. H. Balnum of the Union Bus Company, will not be begun until the roads are in better condition, Mr. Balnum decided after a trial trip over the route yesterday afternoon. "The service would not pay expenses let alone make a profit," said Mr. Balnum, "on account of the bad condition of the roads in that part of the county in many places."

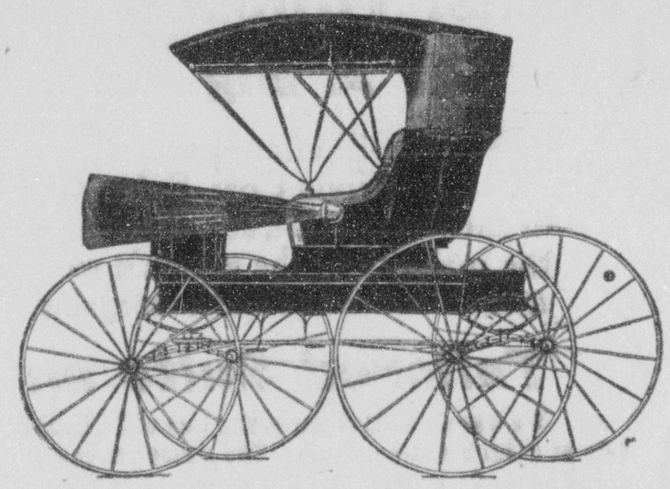
FREE LECTURES AND DEMONSTRATIONS

Friday and Saturday, May 14 and 15

at Sewell & Carter's, Maryville, Mo.



For these two days, we have secured the services of men from the factories, who are experts in their respective lines. Men who will deliver interesting messages on the various makes of farm machinery, vehicles and appliances that we handle.

MEN WHO WILL LECTURE ON THE VARIOUS LINES ARE:

Mr. J. R. Graves on *Velie Buggies.* Mr. Earl Woods on *John Deere Plows*
Mr. J. M. Dunn on *Cushman Engines.* Mr Frank Murray on *DeLaval Separators*
and others who know the merits of the lines they will represent.

You Cannot Afford to Miss This School of Instruction.

There will be given away to farmers only without cost one Matag Power Washing Machine and one John Deere Cultivator Friday and Saturday, May 14 and 15.

SEWELL & CARTER, Maryville, Mo.

ATTEND DUVALL FUNERAL.

Maryville Relatives Present at Services Held at Skidmore Today.

Mr. and Mrs. Dan R. Baker, Mr. and Mrs. Frank Garrett, Mr. and Mrs. J. F. Cook and Mrs. B. E. Condon and daughters went to Skidmore today to attend the funeral of Mrs. E. T. Duvall, who died early yesterday morning at her home, in Skidmore.

The services were held at 3 o'clock this afternoon at the family home, conducted by the Rev. M. Dewitt, pastor of the South Methodist church. The body will be taken to Savannah for burial, leaving Skidmore tomorrow morning.

The Clearmont base ball team will play the Hopkins team at Hopkins Sunday afternoon.

To Visit in Kansas City.

Mrs. H. T. Crane, accompanied by her daughter, Mrs. E. T. Rasmussen, of Riverton, Neb., left this morning for Kansas City to spend a few days visiting friends and relatives.

Mrs. Mary Hook and Mrs. Katherine Miller left Tuesday for Hannibal to attend the state meeting of the Women's Relief Corps.

FACT.

Local Evidence.

Evidence that can be verified.
Fact is what we want.
Opinion is not enough.
Opinions differ.
Here's a Maryville fact.
You can test it.

Mrs. Glover Kelley, 1308 East Second street, Maryville, says: "For months I had sharp pains through my hips. I felt tired and was bothered by the kidney secretions. My health was all run down. Doan's Kidney Pills relieved me right away. After using three boxes the pains through my hips left, the kidney secretions cleared up and my health improved wonderfully. I have had no trouble since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kelley had. Foster-Milburn Co., Props., Buffalo, N. Y.

Yearlings Bring $8.50.

Roy Cottrill of near Skidmore, sold a load of sixteen yearling steers and heifers in St. Joseph yesterday at $8.50 a hundred. They were of his own raising.

AID THE KIDNEYS.

Do Not Endanger Life When a Maryville Citizen Shows You the Way to Avoid It.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney diseases, act now. Dropsy or Bright's disease may set in and make neglect dangerous. Read this Maryville testimony.

Mrs. L. Cain, 709 E. Second street, Maryville, says: "My kidneys bothered me for quite awhile, and I had backaches and headaches. Doan's Kidney Pills soon brought me relief."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Cain had. Foster-Milburn Co., Props., Buffalo, N. Y.

LYCEUM BOARD TO MEET.

Report of Program Talent Committee to Be Submitted.

A general meeting of the Lyceum Bureau committee will be held at 4:30 o'clock tomorrow afternoon in the Commercial club rooms for the purpose of considering the report of the talent committee.

The report is relative to the talent for the coming year's program. A list has been prepared by the committee and this will be submitted for the approval of the board.

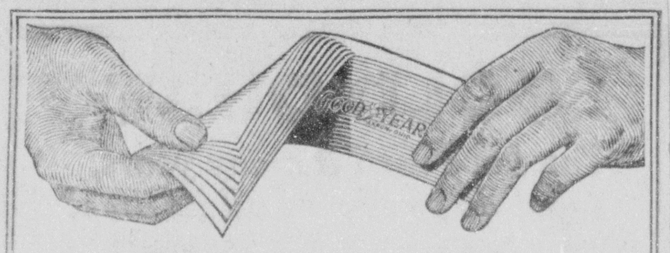
Hopkins to Have Concerts.

The new Hopkins band will begin weekly band concerts at Hopkins tonight for the summer season.

Yearlings Weigh 891.

Dwight Hopple sold Fred Sheley a bunch of yearlings Monday that weighed 891. They were a mixed lot and had been fed corn. They brought $785 on the Hopkins market.



Leakless Inner Tubes

Goodyear Laminated Tubes
Built Layer on Layer—Extra Thick

Here is something every motorist should know.

Goodyear Laminated Tubes are built of many thin layers—each of pure rubber—vulcanized together. No flaw can be hidden as in a thick piece of rubber. It is seen and eliminated. Every layer is perfect.

Such a Tube can't leak. And our valve patch can't leak, because it is part of the Tube and not stuck on.

Remember that. Many a tire trouble is due to leaky Tubes.

14% Heavier

Goodyear Laminated Tubes are extra heavy. They have always outworn any tire. But this year we have added 14 per cent to their average thickness—all pure rubber.

And our Tube prices this year are reduced 20 per cent. So these layer Tubes, extra-thick, now cost about the same as others.

Always Gray

Goodyear Laminated Tubes are not colored. They are gray—the natural pure rubber color. Color requires a large percentage of mineral adulteration. And minerals hold heat, a Tube's worst enemy.

Whatever tires you use, get Goodyear Tubes. They will outlast your tires, save you leaks and trouble. They will also convert you to Goodyear Fortified Tires, built by the same high standards.

Any dealer will supply you. (2376)
